BESCHRIJVING

Interesting for investors and/or promoters. For sale these urban plots just 400 m from the first line of the beach in Els Poblets. All the plots add up to 6,126 m² and by ceding part of the land for roads to the city council, 6 plots could be developed, 4 of them over 400 m² and the remaining 2 over 600 m². Residential area with electricity, water and sewer connection nearby.
