BESCHRIJVING

Magnificent Rustic Finca with a large plot of 4,670 m2 located in a very quiet, private area next to the town center of Alfaz del Pi. On the plot we find two totally independent houses: the main one is distributed on one floor with 3 double bedrooms, built-in wardrobes, 2 complete bathrooms, large living room with wood-burning fireplace, independent kitchen and sunroom. The other guest house is located right next door and has 2 double bedrooms, 1 full bathroom and a living room with kitchen, closed garage and laundry room. Apart from the houses it has a chill-out area with private pool, summer kitchen area and barbecue, stables for horses and other animals. Its variety of trees make it very tropical and private. It is an opportunity to live next to Alfaz del Pi, in a very quiet, private area and in full contact with nature.
