BESCHRIJVING

If there is a villa outstanding for its design and its bright spaces opening up to the sea, it is Villa La Isla. The most spectacular part is its impressive living/dining room with an open space and three different areas - the TV area, the living room and the dining room which connects to the large kitchen through a magnificent central island. All main rooms have access to the terrace of the pool and the porch so you can eat outside looking at the sea practically all year round. The main bedroom also merits special mentioning with an en-suite bathroom with a sink with two holes, bathtub and shower connected to the walk-in-closet and the relaxation zone. A design that brings comfort letting in light and the sun so you can wake up admiring the sea. In total, Villa Isla has 4 bedrooms, all with en-suite bathroom, walk-in closet or wardrobe and access to a terrace with views to the sea. There are also parking spaces for 2 cars and impressive outside areas with infinity pool, gardens, terraces and a spacious porch to enjoy life in the Mediterranean.
